

CHARLOXY TRANSPORT

RELIABLE. SAFE. ON TIME.

A division of Charloxy Investment (Pty) Ltd.

GENERAL TERMS & CONDITIONS

1. Quotations

All quotations are based on the information supplied by the customer, including collection and delivery locations, items to be transported, access conditions, required labour and any photographs provided. Charloxy Transport reserves the right to adjust the quoted price where the actual job differs materially from the information provided.

2. Bookings & Payment

A booking is only confirmed once Charloxy Transport has issued confirmation and any required payment has been received. Unless otherwise agreed in writing, payment must be made in accordance with the terms stated on the quotation or invoice.

3. Additional Charges

Additional charges may apply for extra stops, additional items, waiting time, difficult access, stairs, excessive carrying distances, additional labour, after-hours or weekend work, return trips, tolls, parking or other services not included in the original quotation.

4. Cancellations & Rescheduling

Customers should notify Charloxy Transport as soon as possible if a booking needs to be cancelled or rescheduled. A cancellation or rescheduling charge may apply where insufficient notice is provided or where costs have already been incurred in preparation for the booking. Any applicable charge will be communicated with reference to the booking circumstances.

5. Customer Responsibilities

Customers are responsible for providing accurate information about the goods being transported and ensuring that items are appropriately prepared and packed unless packing or protection services have specifically been arranged. Customers must disclose fragile, unusually valuable, hazardous, restricted or special-handling items before transportation.

6. Access to Collection & Delivery Locations

The customer is responsible for ensuring reasonable and lawful vehicle access to collection and delivery locations. Parking fees, access charges, permits or additional costs arising from restricted access may be charged to the customer where applicable.

7. Goods in Transit Insurance

Charloxy Transport carries Goods in Transit (GIT) insurance with cover of up to R150,000, subject at all times to the terms, limits, excesses, conditions and exclusions of the applicable insurance policy. The R150,000 amount is not an automatic guarantee that every item, consignment, loss or damage claim is covered for that amount. Customers must disclose particularly valuable, fragile or unusual goods before the booking is confirmed. Where appropriate, customers may be advised to arrange additional or specialist cover.

8. Inspection & Reporting of Damage

Customers should inspect their goods as soon as reasonably possible after delivery and notify Charloxy Transport promptly of any loss or damage. Photographs, proof of ownership/value and other supporting information may be requested to assess a claim.

9. Excluded or Restricted Goods

Charloxy Transport reserves the right to refuse goods that are illegal, dangerous, hazardous, inadequately packed or otherwise unsuitable for transportation. Cash, jewellery, negotiable instruments, important documents and exceptionally high-value items should not be transported unless specifically disclosed and accepted in writing beforehand.

10. Delays

Charloxy Transport aims to provide a reliable, safe and on-time service. Collection and delivery times may, however, be affected by traffic, weather, road closures, accidents, mechanical problems, security incidents or other circumstances beyond reasonable control. Customers will be informed of material delays where reasonably possible.

11. Customer or Authorised Representative

The customer or an authorised representative should be available at collection and delivery to provide access, confirm the goods being transported and acknowledge completion where required.

12. Claims & Liability

Any claim will be assessed according to the circumstances of the loss or damage, these Terms & Conditions and, where applicable, the relevant insurance policy. Nothing in these Terms & Conditions is intended to exclude or limit any right or remedy that cannot lawfully be excluded under applicable South African law.

13. Personal Information

Customer information provided for quotations and bookings may be used to administer transport services, communicate with customers, process payments, maintain business records and meet legitimate legal or operational requirements. Personal information will be handled in accordance with applicable South African data-protection requirements.

14. Acceptance of Terms

By confirming a booking or instructing Charloxy Transport to proceed with a service, the customer acknowledges and accepts the applicable quotation and these Terms & Conditions.
